

Broadlea's Governors are responsible for the overall direction of the school. They ensure:

- that the school's vision and strategy are clearly defined;
- that the Headteacher fulfils her responsibilities for the school's educational performance;
- the proper and effective use of the school's budgets.

The Governing Board includes elected Parent Governors, staff, co-opted members and a local authority representative.

If there is something that should be raised through the Governors, please feel free to contact them via the school office.
