KS2 Sports Day- Thursday 8th June, 9:00am to 1:00pm

Broadlea Primary School's annual Sports Day is rapidly approaching and we are writing to inform you of the details for the day

The format of the KS2 Sports Day is very similar this year to last year. The children will move around in their houses in a Year 3/4 or a Year 5/6 group.

Each group will then take part in a 600m race, 60m sprint, long jump and ball throw as well as other activities such as parachute games and agility activities in order to keep them physically active throughout the day. Times and distances will be recorded and points earned will contribute towards the children's houses. So it is vital that all of the children try their best as every second and centimetre counts!

The house which is the overall winner will then receive the House Cup. The House Cup and individual medals will be awarded in Celebration Assembly to the children that perform well in each of the track and field events for each year group. We will share photographs on Facebook.

For the events we would like to ask parents to remain on the outside of the running track. For the long jump and ball throw there will be designated areas for spectators.

The Friends of Broadlea will serve refreshments to spectators in the food tech room kitchen near to the field. This year they are serving coffee, tea, water, squash and biscuits. These refreshments are for spectators only, not pupils. Pupils must not leave their group as they have a schedule of events to complete throughout the morning. The children will receive an ice pop at the end of the event funded by the Friends of Broadlea.

After the relays, the children will return to their classrooms and collect their lunch whilst parents and carers leave the grounds. This is to ensure that we maintain our high standards of safeguarding and ensure we know the location of all pupils at all times.

If your child usually has a school dinner, on this day it will be a packed lunch which will be collected after the event. The children will have a picnic lunch on the field.

Children will need to come into school in their P.E kit (red top, black shorts and trainers) which they will take home with them the day before.

Please make sure that your child has two bottles of water, two or three small healthy snacks (a cereal bar, banana, apple, box of raisins etc.), a hat and suncream (all named) with them in school.

We hope you enjoy the events and look forward to seeing you.

Mr Collings (P.E. Co-ordinator)

Mrs Parker (Specialist Sports Coach)
