

ISLE OF WIGHT SAFEGUARDING CHILDREN BOARD Training 2018/19

Do you know what your child is doing online?

The LSCB is running a 2 hour information session to inform both parents and professionals on what children are doing, accessing and viewing online. And importantly, what controls can be put in place to manage the risks (including internet, app and website settings)

Presented by Simon Snell, a former Detective Inspector at Devon and Cornwall Police, the session contains practical content and advice that will really make a difference.
