17<sup>th</sup> December 2018

Dear Parents & Carers,

The Governing Board would like to thank you all for your continued support of the school. We would also like to thank those unsung heroes who volunteer in the school, from the excellent work of the Friends of Broadlea, to those who give up their precious time to hear children read or help with school trips.

At this reflective time of year, we would like to take time to reflect on our journey and gather the views of the school community on our direction and vision for the future of Broadlea. A child's education is a joint process requiring the expertise and input of staff, parents, families, governors and, most importantly, pupils.

It is important for the development and future opportunities of our pupils that our school community works together to make each pupil's learning journey the most rewarding it can be.

We have seen some wonderful learning experiences throughout the year, as anybody who has seen the Facebook feed will fully appreciate - from sporting triumph to community involvement, from the wonders of Forest School to trips to the Tower of London - but the real magic is in the classrooms. There has been some fantastic work produced across the school.

Educational excellence and striving to provide the best primary education possible for each of our pupils will always be at the core of our vision for the school, but what makes that individual to Broadlea? What sets us apart from other schools?

We value your thoughts and ideas in shaping our school's future and in ensuring the best educational experience. We want to define a clear vision that everyone at Broadlea shares.

So, the question put simply is: What would you like to see? What is your vision for Broadlea?

We are aware that at times, parents do have concerns but we ask that you do not use this opportunity to share those concerns. This should be done by following the school Complaints Procedure, available on the school website.

What we would really like on this occasion, is your vision for the future. Please respond either in writing, marking your envelope for the attention of the Chair of Governors or via email to [schoolmatters@broadleprimary.co.uk](mailto:schoolmatters@broadleprimary.co.uk)

Yours sincerely

Nathan Jenkins  
Chair of Governors
