

Broadlea  Maths Competition

Amazing Arrays

Our Maths Challenge: take photos, make/build things or draw pictures that show arrays in real life. Don't forget to write the multiplication (and answer) next to each one!

Year 1 pupils should write the addition sum instead eg. $3 + 3 = 6$

For example ...

$$2 \times 3 = 6$$

$$3 \times 8 = 24$$

All entries to be handed in by Friday 15th February with your name (including surname) and class number clearly written.

Prize winners to be announced in the assembly on Monday 25th February.

Good luck!
