

# DISCOVERY BAY! 2019

REVEALING THE EXTRAORDINARY SCIENCE AND  
LIFELONG INSPIRATION OF THE NATURAL WORLD

CALENDAR OF EVENTS

## Discovery Bay - Science Day!

Sunday 10th March 2019 10.30am - 2.30pm

Celebrate British Science Week in Sandown Bay with a day of scientific discovery and natural history! Take a look at the world through our amazing new MicroEye and join us for drop-in laboratories and pop-up displays featuring natural wonders from pickled worms to pond life, moths, moss and poo. The Bay science team from The Common Space, Arc, Artecology, Dinosaur Isle and The National Poo Museum will all be there, and it's free for all the family! So come and see us in the Education Room, Dinosaur Isle, Culver Parade, Sandown

## Beach, Bugs & Bones

Sunday 28th April 11am - 1pm

Our 5th annual beach and beyond celebration of all things wildlife, from the prehistoric to the full of life, in beautiful Sandown Bay! Join us for fossil hunting, the beach gallery, bug-hoovering, soil-sieving, willow-walking and lots more... Find us on the Science Beach, the seafront opposite Browns Golf Course, Culver Parade, Sandown. Wellies recommended.

## Hullabaloo

Saturday 11th & Sunday 12th May

Hullabaloo is a two-day unmissable extravaganza from Shademakers UK and The Common Space. Join us for a weekend of discovery and exploration, carnival, arts, science and nature. With spectacular shows, Discovery Bay pop up labs and displays, Hullabaloo will be bringing awe, wonderment and more to Sandown Bay again in 2019. Follow Hullabaloo on Facebook!

## Dawn Chorus Magic

Sunday 19th May 4.45am

This wildlife spectacular returns to get you up before sunrise! So set your alarm and come and join us for one of nature's great treats. We'll hear from a host of resident and migrant songbirds (and there's always the chance of a nightingale!).

Meeting at Longwood Lane, outside the Southern Water Treatment Works, Sandown PO36 9PR  
Approximately 2 hour walk. Wear comfy shoes and bring a torch.

Booking recommended. Contact: [claire@arc-consulting.co.uk](mailto:claire@arc-consulting.co.uk) 07710 363446

## Discovery Bay - Exploring 100 million years of Bay wildlife, from ammonites to cuttlefish!

Sunday 13th October 10.00am til 4.00pm

Become a Bayologist and celebrate National Biology and Earth Science Weeks here in Discovery Bay with a day stuffed full of life science activities for all ages. Try out our powerful microscopes, sieve for life in the soil, fire up the mighty bug hoover, dip for pondlife and fill up our wildlife aquarium, and marvel at the mole-in-a-jar! The Bay science team will be there to give you a hand. Find us in the Education Room, Dinosaur Isle, Culver Parade, Sandown.

Follow Facebook: The Common Space & Shaping the Bay for more details!
