Dear Parents / Carers

I'm pleased to advise that we've introduced a new service - 'School Gateway'. This means that you will be able to make online payments via the School Gateway smartphone app or website. This will need to be used for booking and paying for after school clubs and breakfast club as well as paying for school dinners. Attached to this letter are these terms clubs and information with regards to breakfast club. This will become available from the 1st April. There will be a link on the school website.

We will notify you by text or email when new items such as school trips or tickets for events are available for payment on School Gateway. You will also be able to give online consent, where required, for your child to take part in activities.

School Gateway will make it easier for parents to pay any time 24-7 and reduce the amount of cash being carried by children on school premises.

What you need to do now

Activate your School Gateway account. It's quick and easy to do. All you need are your email address and mobile number that school holds on record for you.

Download the app: If you have a smartphone, please download School Gateway from your app store (Android and iPhone). The app shows the same information as the website PLUS it saves the school money when we send you a text message.

OR

Visit the website: www.schoolgateway.com and click on 'New User'. You'll receive a text message with a PIN number. Use this PIN to log into School Gateway.

Can't activate your account?

If you're having trouble logging in, it may be because the school doesn't have your current email and mobile phone number on record. Please call the school and we'll update the details on our system.

We hope that you will find School Gateway to be a fast and easy way to pay for school items.

Yours faithfully

Sharon Freeley
