

Dear Parents/Carers,

Please find details below of clubs we are able to offer for the Spring Term. There will be a small charge for all school clubs this term to cover the cost of resources and the cost of support staff who normally finish at 2.45pm. The school does not make a profit running these clubs.

All clubs are to be booked via 'School Gateway' (Please follow the link on our website www.broadleapprimary.co.uk)

Please note: We are unable to accept payment or requests for booking in the school office.

If you haven't used this service before this is what you need to do:

To activate your account, it's quick and easy. All you need is your email address and mobile number that school holds on record for you.

Download the App: If you have a smartphone, please download School Gateway from your app store (Android and iPhone). The app shows the same information as the website plus it saves the school money when we send you a message.

Visit the website: www.schoolgateway.com and click on 'New User'. You will receive a text message with a PIN number. Use this PIN to log into School Gateway.

If you experience any difficulties logging in, it may be because the school doesn't have your current email address and mobile number. Please call the office and we will update your record on our system.

Thank you
